INSTRUCTIONS

1. This form shall be used to apply to the Utah Division of Solid and Hazardous Waste for a permit to act as a Used Oil Fuel Burner.
2. Used Oil Fuel Burners are addressed in Utah Standards for the Management of Used Oil, R315-15. Copies of the Rules can be ordered from the Utah Division of Solid & Hazardous Waste, P.O. Box 144880, 288 North 1460 West, Salt Lake City, Utah. 84114-4880. The Rules are also posted on the web at: <http://www.rules.utah.gov/publicat/code/r315/r315-015.htm>.
3. If the company registering has not received an EPA ID Number, completion and submittal of this form to the Executive Secretary of the Utah Solid and Hazardous Waste Control Board will satisfy the requirements as found in R315-15-7.4(b)(2) and an EPA ID Number will be issued to the company.
4. Type or print neatly in ink.

FEES

- A filing fee of \$100 is required and must be attached with each permit application.
- A registration fee of \$100 is also required to obtain a Used Oil Handler Certificate that is necessary to operate as a Used Oil Fuel Burner in Utah. This is an annual registration fee that will need to be renewed by December 31 of each calendar year. This fee must also be attached.
- The Permittee will be billed for actual costs associated with the review of the permit application, permit preparation and publishing a public notice in two local newspapers to initiate the required 15-day public comment period on the proposed permit.

DEFINITIONS

! USED OIL - any oil refined from crude oil or synthetic oil, that has been used and as a result of that use is contaminated by physical or chemical impurities.

! USED OIL OFF-SPECIFICATION BURNER - any person who burns used oil that exceeds levels of constituents and properties as specified by Board rule and consistent with 40CFR 279, Standards for the Management of Used Oil.

Permitted used oil burners shall maintain a complete record of all analyses and transactions, documented by reproducible receipts for three years; and, upon request, make available to the Division for inspection or photocopying, all applicable analyses, records, and receipts for purposes of review and audit.

Permitted used oil burners shall submit an annual report to the Division of Solid and Hazardous Waste of activities during the calendar year.

The annual report shall be submitted to the Division no later than March 1 of the year following the reported activities.

The owner or operator shall notify the Division of Solid and Hazardous Waste in writing of any changes in the information submitted in the original application and apply for a modified permit within 20 days prior to the proposed change.
